CURING SUBSTANTIAL MECHANIC'S LIEN DEFECTS

It's a Matter of Timing

MARCH 2009

It is commonly believed that when filing a mechanic's lien you have only one chance to get it right. This is not so.

Amendments to a lien are indeed limited but they are permitted within certain restrictions.

In my recent article, "Curing Substantial Mechanic's Lien Defects", published in the February 2009 issue of Subcontractor News, this issue is discussed in detail.

We trust this can be of value to you. Please feel free to call me with any questions or comments you may have.

Yours truly,

Henry L. Goldberg, Esq.
